Supplier Self-Assessment

Dear Sir or Madam,

This questionnaire is used for the assessment and preselection of vendors who are suppliers as well as for the preparation of quality management system audits. The information will remain confidential and will not be made available to third parties. Please answer all questions in English or German language and use additional sheets, if necessary. Unanswered questions negatively affect the preselection of the suppliers.

Company data

Company's name	_____
Legal form / cash investment	_____
Ownership structure	_____
Trader register entered since	_____
Division (if applicable)	_____
